

Visits with Pam

Pam's visits are 60 minutes in length. Follow-up visits are 45 minutes. Please bring a completed health intake form with you to your first appointment so that Pam can fully understand your specific health needs. This form will be emailed to you upon your first booking by the Concierge.

Osteopathic Manual Therapy visits are covered by many extended health care programs. Please check with your individual carrier for details on your coverage.

15 minute Consultation	Complimentary
Regular Visits	\$115
